Olympians

W'51 produced a class which was constantly improving and building up for the finale of graduation. The class's blue and white sweaters brightened the halls while its numerous leaders put forth their best efforts in serving the school.

Dress-up Day furnished fun for all while the "Winter Fantasy" Senior Prom captured the beauty of a winter's night. "Farewell Day," which consisted of a splendid musical production, was put on in a professional manner. The final hour of the Olympians' days at Franklin came crashing to its climax in harmony with "Pomp and Circumstance."

The Olympians will long be remembered for their fine scholarship and service and missed because of their outstanding and creative leadership.

Sentinels

From "Under the Big Top" came the summer class of 1951 on that long awaited Sweater Day, and the reign of the Sentinels began. The Christmas party was a big success, and Santa got his full supply of chuckles for the season.

Dress up Day took the whole student body back to the time when it marveled at the tales of story books and nursery rhymes.

The moonlight and music featured at the Senior Prom gave the atmosphere a feeling of heavenly splendor. Closely following was Farewell Day when the many talents of the class were displayed. To top their year of activity, the Sentinels proudly marched across the stage of the Occidental Bowl to receive their diplomas and bid a final good-by to Franklin.

STUDENT COUNCIL W'51

During the winter of 1951, the Student Council, under the capable sponsorship of Mr. Wilson Jordon, led Franklin in an active and interesting semester of work and fun. Much was accomplished by the council's fifteen members: President, Lloyd Biske; Vice President, Phyllis Bonar; Secretary, Alice Caput; Financial Manager, Beatrice Mills; Athletic Manager, Bill Helmuth; Yell Leader, Carlos Ramirez; Press Editor, Joan Mack; Girls' League President, Marian McGregor; Boys' League President, John Hayden; A-12 Class Officer, Ernest Espenschied; B-12 Class Officer, Rose Marie Rawlins; A-11 Class Officer, Bob Miho; B-11 Class Officer, Jim Prim; A-10 Class Officer, Jim Wells; and B-10 Class Officer, Tim Mendoza.

Some of the most successful projects were the P.T.A. Drive and the Penny Fair. The council inaugurated the Board of Representatives which is composed of a representative from each second period class. The purpose of the board is to promote a closer relationship between the leadership class and the rest of the school.

To their successors of S'51 the council left the project of completing the handbooks which will be given to all new students upon entering Franklin High School.

STUDENT COUNCIL S'51

The major accomplishment of the Student Council, S'51, was the completion of the "New Student's Handbook" which was begun by the W'51 Student Council.

The council's help in the sale of the Almanac was invaluable. Other major projects during the semester were the annual Red Cross Drive and the School Spirit Award selected in co-operation with the Franklin Press. Compiling a reference file of the talent of Franklin High was also one of their accomplishments. This list contained the names of the singers, dancers, instrumentalists, and comedians of the school.

The semester of S'51 was led by the following officers: President, Jim Eaves; Vice-President, Jerry Proctor; Secretary, Peggy Richardson; Financial Manager, Barbara Anderson; Athletic Manager, Jim Atwood; President Boys' League, George Ralph; President Girls' League, Irene Berteaux; Press Editor, Tommie Sharpe; President A-12 Class, Bob Bowman; President B-12 Class, Don Simpson; President A-11 Class, Pat Buono; Secretary B-11 Class, Carmela Macchia; President A-10 Class Oliver Meeker; Vice-President B-10 Class, Barbara D'Amico.

GIRLS' LEAGUE

Evidence of the good work Ben Franklin's Girls' League performs is visible all during the semester.

Its installations, Get-Acquainted Teas, and fashion shows, which are held each semester, are fine proof of this.

Of special interest to the girls during the spring is Cotton Day, when all girls participate with dresses they have made. Luggage Day is awaited by all —except the girls, who must carry the books of all boys who have purchased tickets for the event.

Countless details of these and other activities keep the Girls' League cabinet busy throughout the semester.

LEFT TO RIGHT. Norma Pulsipher, Jeanette La Grasta, Dona Harrier, Joyce Reddoch, Irene Berteaux, Miss Florence Fye, Dorothy Olney, Joan Hovey.

BOYS' LEAGUE

Benjamin Franklin's Boys' League, composed of all Franklin boys, has accomplished much this semester. Among its activities, this group has sponsored outstanding assemblies, featuring moving pictures and speakers.

The league's main events are the semi-annual election assembly and the installation of officers.

As each boy enters the school, he automatically becomes a member, working and striving together with the rest to provide for closer cooperation among Franklin boys.

ALMANAC

Franklin's Almanac Staff, S'51, was perhaps one of this year's hardest working classes. The largest part of the responsibility of producing the Annual fell to the Co-editors, Dorothy Chandler and Sherlee Brown, who did a splendid job.

Co-editors of Sports, John Swain and Grant Neilson, produced an interesting and action-packed section of Franklin sports.

A good share of the credit for the fine pictures displayed in this book goes to a tireless Photographic Editor, Arline Arnold. The excellent student photography was produced by George Ralph and Glen Haskins, Staff Photographers.

Art Editors, Winnie Wood and Marcus Villagran, are responsible for the fascinating interpretations of student life.

Best of luck to a swell boy who I have enjoyed knowing.

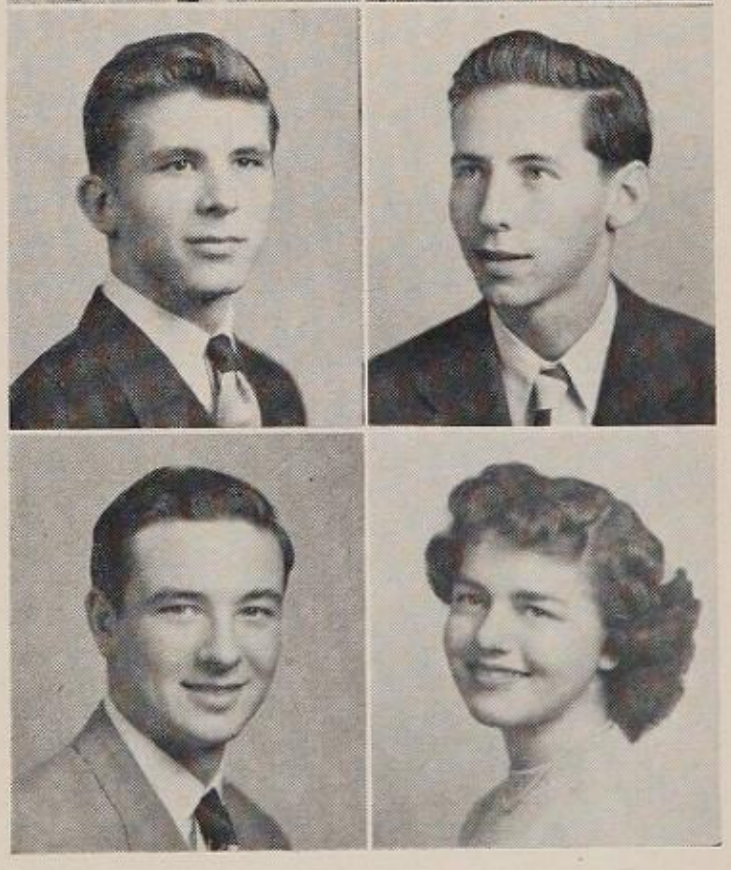
STAFF

Staff Secretary Jeannette LaGrasta's flying fingers kept the typewriter going almost constantly as she prepared the typing required to produce an outstanding yearbook. The copy was written by Copy Editor, Judith Falk, who worked in co-operation with the whole staff.

Advertising and the Almanac sales were handled by Business Managers, Dick Partlow and Richard Jones, who kept an eye on the annual's budget.

Special credit goes to Ludelle Van Aken, who designed the 1951 Almanac cover; Dana Tharp, who drew the Class division page; and Gordon Rice, who drew the designs for the end sheets.

Outstanding recognition goes to Miss Ann Robison of the Art Department and Miss Priscilla Beattie, the Almanac's sponsor.



PRESS

Benjamin Franklin's Press Staff, composed of a small, select group of journalism students, has always been one of the leaders in the social life of Bendom. In previous semesters, it has accurately portrayed and reported the activities of Franklin High. Its primary job is to produce an enjoyable paper from a pile of copy, a dictionary, and an uncountable amount of type.

During the semester of W'51, the Press Staff entered its Red Feather Edition in the national contest spon-

sored by the Columbia Scholastic Press Association at Columbia University. They emerged from the contest with a certificate crediting them with outstanding journalism.

During the summer semester the Press Staff did a fine job in promoting school spirit. Besides the beautiful orchid gift to an outstanding Senior A girl each week, the staff introduced the weekly award of a sterling silver identification bracelet to a girl or boy displaying outstanding school spirit. Well good luck slugger I hope I can publicize you more in football

STUDENT COURT

The Student Court is the judicial branch of the student body. Its members meet once a week to handle citations issued to lawbreakers for misdeeds such as leaving the grounds, cutting the restricted privilege list, disturbing assemblies and violating hall or ground rules.

When a school club takes over duties such as guarding the halls before school or the boundries at noon, it has the authority of the Student Court behind it.

This year's team was almost entirely made up of "Rookies." When the season began with a practice game against Belmont, it was rated as the team most likely to finish last. Much to the forecasters' " surprise it rolled back Belmont 18-7.

Although it was never rated better than an underdog, the team showed a keen sense of spirit and enthusiasm throughout the season.

The Bens' best showing was against Eagle Rock, whom they "shellacked" 41-7.

Top scorers on this year's team were Tom Breslin and Frank Palmer. Breslin scored 24 points against Eagle Rock. Other outstanding players were Gary Johnson and Ron Price.

Most sensational play of the year was a 95 yard run by L. T. Qualls against Canoga Park.

FRANKLIN

Franklin's 'B' football team, champions of the league last year, did not successfully defend its title this year. This doesn't mean that they didn't put up a fight, for they did. In fact, they played such good ball that, what with a few good breaks, they might easily have finished in first place.

Basketball

Sparked by four returning lettermen, the basketball team was one of the best ever at Franklin. Led by Jack Selleck, First All-Valley and third All-City as well as Dick Baker, second All-Valley, the team nabbed third place in the valley standings.

Selleck broke the school scoring record when he sank 36 points against North Hollywood. The other two returning lettermen were George Gilbert and Ralph Quevedo. Quevedo was one of Franklin's three year lettermen.

Jim Stewart, fiery B letterman, was the other starter. Ben Milbourne and Dale White also played fine ball.

The B's finished in fourth place after playing ball through the season. Tom Chase and Clem Ello led the team throughout the season along with Dan Nordberg, Art Bernabucci, and Bill Martin.

Cross Country

This year saw a new sports event at Franklin: the cross-country run, coached by Mr. Donoho Hall. The cross-country is one and nine-tenths miles long. A small number of boys turned out for the team, and in most meets Franklin was usually outnumbered four or five men to one.

Austin Emmerling was outstanding in Valley competition, copping many firsts and placing well in the Southern California preliminaries and the All-City meet.

The Franklin track team hopped off to a good start this year when it took the eight-man mile at the Canoga Park Relays. The spikemen participating in the race were Backman, Beale, Burkhardt, Dyas, Helmuth, Jenks, Spelman, and Wagner. The trophy, which was the only one awarded at the relays, may be seen on page 84.

Those trackmen to cop fourth place for Franklin in the Valley Finals were Breslin, Chase, Emmerling, Helmuth, Maddox, Meeker, Qualls, and Spelman.

Also helping the Franklin cause were Helmuth, high point man for the team, Emmerling in the mile, and the almost unbeatable combinations of Trott and Scott in the 880, Spelman and Wagner in the 440, Meeker and Chase in the broadjump, and Breslin and Qualls riding their poles to victory.
